

VISION

Equipping the students with relevant and conceptualized professional skills and guiding them towards a bright future and career all around the world with the values of – 'Sincerity', 'Hard Work' and 'Ethics'.

OBJECTIVE

Training and Placement Cell is to guide students to choose right career and to give knowledge, skill and aptitude and meet the manpower requirements of the Industry.

MOTIVE

- ▶ To assist students to develop/clarify their academic and career interests, & their short and long-term goals through individual counselling & group sessions.
- ▶ To Maintain database of companies and to establish strategic links for campus recruitments.
- ▶ Gathering information about job fairs and all relevant recruitment advertisements.
- ▶ Coordinating with companies to learn about their requirements and recruitment procedures.
- ▶ Identifying the needs and expectations of companies to assist them in recruiting most suitable candidates.
- ▶ Organizing pre-placement training/workshops/seminars for students.
- ▶ Arranging periodic meetings with Human Resources Department of companies.
- ▶ To assist students for industrial training at the end of fourth and sixth semester.
- ▶ To provide resources and activities to facilitate the career planning process.
- ▶ To act as a link between students, alumni and the employment community.
- ▶ To assist students in obtaining placement in reputed companies.

PLACEMENT

The industry is always on the lookout for students who are vibrant, energetic individuals and ready to accept challenges, attentive, a good academic background, fast learners, open to learning even at work and more importantly, good communication skills.

This activity focuses upon the personality development to make the students reliable, with positive attitude and right decision making.

- ▶ Guiding for preparation.
- ▶ Communicating with industry for campus interviews.
- ▶ Conducting weekly Aptitude tests
- ▶ Communicating with Alumni for available openings.
- ▶ Arranging mock Interviews.

CAREER GUIDANCE

- Highlighting articles on departmental notice boards regarding Competitive & Industrial Career Opportunities.
- Informing students about the available job opportunities in government sectors & off campus drives.
- Arranging Motivational Talks.
- Conducting Psychometric Test.
- Conducting Expectation Management Workshops.

TRAINING & DEVELOPMENT

Keeping in view the industry requirements, the training curriculum is designed for preparing the students as entry level Graduate Engineer Trainees.

- Personality Development
- Communication Skills & Vocabulary
- Resume Preparation & Email Writing
- Group Discussion
- Interview Skills
- Aptitude Training & Practice Tests
- Foreign Languages such as Japanese & German

INTERNSHIP

Along with UG Research, Capstone and Entrepreneurship we have introduced Industry Internship Project (IIP) as one of the tracks for B.Tech VIII Semester.

Features & Benefits:

- ▶ This Internship is designed to expand the depth and breadth of academic learning of students in their particular areas of study.
- ▶ Final year UG & PG Students are allowed to go for Six months Industry internship.
- ▶ Students are able to receive experience in applying theories learned from the classroom to specific experiences with the community and work world.
- ▶ Students get industry exposure and also get to work on live projects
- ▶ It heightens awareness of community issues, motivate students to create opportunities, embrace new ideas, and give direction to positive change.
- ▶ It gives valuable information in making decisions about the direction of future studies or employment.

Companies Visited for Internship at RIT During AY 2017-18
